

Dear parents, as you know we hv initiated the Online teaching process for optimum utilization of students' time.

In order to make this process successful and to ensure *\*perfect discipline\** during the class kindly note the following points for *\*strict compliance.\**

→ All students are required to login with their *\*REAL NAME\**, *\*Class/section\** only. for eg.. RUPAL XH, SUMIT XA ..

→ Anybody using fake names won't be allowed to participate in the scheduled class.

→ It is *\*mandatory\** for students to attend all the classes planned for the day.

→ Any student who disrupts the smooth functioning of a class will be debarred from attending the online teaching process.

Let us join hands in making it a success for the sake of our children.
